PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday 20th July at 7.30 pm in the Old Farmhouse.

Bar Hill- Dry Drayton Cycleway - several councillors had had a very positive on-site meeting with Mr. Walford of Cambs. County Council. He had discussed options for surfacing of a cycleway and the proposed route. Mr. Walford would be meeting with Dry Drayton P.C. and would advise on the outcome in due course.

Donations - A donation of £10 will be given towards the Cambs. Regiment display at Duxford. A donation of £50 will be given to Bar Hill Rangers towards a trip to the island of Canna.

November 5th Firework Display - Because of the behaviour of some children at last year's bonfire/firework display there will be no bonfire on the Village Green this year; a firework display will take place as usual.

Hedge cutting - The Clerk had received several requests for hedges to be cut back during midsummer. However, because of wildlife and costings the Councillors agreed that this work should only be carried out during the autumn/winter months. Any requests made will be kept on file until the appropriate time.

Use of Village Green and other public areas in the village - Councillors had become aware that several village organizations were not requesting permission from the Parish Council prior to using the Village Green or other public areas for their outdoor functions. Organizations are asked to advise the Clerk of any intended functions so that they can be entered into the diary, or the matter raised with the Parish Council.

Hotel signs on Mound alongside A14 - The Clerk to check with SDC Planning that the signs advertising Sunday lunches and golf are legal.

Drainage work at corner of Village Green - a quotation of £1105.20 had been received from SDC for this work. The Clerk to ascertain whether this is a realistic figure with the Drainage Consultant prior to this work being carried out.

Removal of slide - village park - this slide had been removed due to its dangerous condition.

Problem of broken glass - Several attempts had been made recently to remove broken glass from grassed areas; however this has proved extremely difficult. It would be very helpful in combating this problem if residents could help by reporting these incidents to the police, being prepared if necessary to make a statement and follow the matter through. This would benefit everyone in the village, as it is a prosecutable offence, but the culprits need to be caught first.

Litter along the spine path

Following concern expressed by residents regarding this problem, the Residents' Association wrote to Tesco with a request for the provision of litter bins along the section of spine path which they own.

The reply received was as follows:

"We are aware that there is a problem with litter along the spine path and we do endeavour to keep our part of the area as free from litter as possible.

However, as with any industry, restrictions on our budget will not make it possible to provide bins in this area at the present time.

Thank you for bringing the matter to our attention."

BAR HILL NATURE RESERVE

Hi again!

First I would like to say what a good turn-out there was at Dave Skelson's 'do' - family, friends and mates he would have liked it. Bye, Dave.

People have been 'phoning me and bringing around baby birds they have found. If you are able to, please try to put them back in the nest; if there is no imminent danger please leave them where they are - their parents will find them. Thanks. Motorists, please drive carefully - the hedgehog bodies are mounting up around the village. Also, there was a dead badger at the entrance to the village, near the barber shop. Please remember, you are bigger and stronger than both of them, they have no chance at all.

An appeal, if anybody is travelling about and spots any fox, deer or badger bodies at the roadside within a 10 mile radius of Cambridge, could they please let me know (781383).

Looking around at the moment, it looks like it is going to be a good year for beech mast (do you remember when you were younger and you used to eat the beech nuts - nice taste but you need an awful lot of them to fill you up?). The trees are hanging heavy with them and so are the oak trees with acorns. If you care to look closer at the oak tree you'll see what a magnificent tree it is - not only does it provide a home for lots of insects and moths (the caterpillars of which provide the baby blue tits with their main food supply), it's also well known in folklore and requires about 200 gallons of water a day - some thirst!

Walk down the hedgerows and bridleways and you will be met by a lovely display of butterflies. There are Hedge Browns, Ringlets, Gatekeepers, Meadow Browns, Small Tortoiseshell, Speckled Wood, Large White, Small White, Small Skipper, and the Day Flying Burnet Moth can be seen in

a certain part of the village, as can the caterpillars of the Cinnabar Moth, feeding on their food plant, Ragwort (the yellow and black stripes acting as a warning to the birds that they are poisonous, the poison coming from the Ragwort which they feed upon).

The Skylark

The Skylark is high above the ground
From this height you can hear him sing,
It's a joy to stand and listen
While he's up there on the wing.

Walk the paths and fields
Stop and rest on a stile,
Listening to the song of the Skylark
You're in heaven for a little while.

(N.J.R. '95)

Bye for now

WOODCRAFT FOLK

Foxglove Elfin Group is for 6 - 9 year old girls and boys, and meets in the school on Fridays from 5.45 - 7.00 pm.

The Elfins have had a busy end to the summer term. Our visit to Milton College of Agriculture and Horticulture was extremely enjoyable and we must thank Rob Booth for his "tour". A flower walk at Milton Country Park was also interesting, and thanks to Malcolm, the Warden, who always grabs the Elfins' attention.

Our group also hosted a Cambridge and District Family Hike and one hot Sunday a group of Folk were seen to disappear through the hedge to Lolworth, to reappear 4 hours later at the Nature Reserve, having walked a sweaty 6 or so miles.

Parachute games and making mini-beast biscuits ended our term. Thanks to all the parents who have helped this term, especially Pauline and her guitar

Letters to the Editor

(Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.)

Dear Editor

I have lived in the village for 26 years, and over the years I have become increasingly appalled at the apathy of a lot (not all) of the residents. There are parents (again, not all) who cannot wait for their children to grow up so that they do not have so much responsibility for them. It is the same people who moan, moan, moan about the lack of things to do for the young teenagers. I have had teenagers and they have grown into adults, but I have tried to follow each stage of their growing up, and more importantly, taken an active role. Some residents, and it is always the ones who do not do anything, say it is the job of the Parish Council or of the Residents' Association to provide things for the young teenagers to do. If we did, and we have tried, a lot of teenagers would still not do them. I admire and have a warm affection for a lot of the youth of this village, but it is you parents that have got to get off your backsides and do something alongside the Parish Council and the Residents' Association. We cannot do it all you know!

I appreciate that a few people do try to help, but it is always the same few. Let's have some new faces around the place.

People complain to me about the Bar Hill News being late. Do you help to produce it, staple it together, deliver it? Some people do, others are prepared to let them.

Several people have said to me that they would do things if only they were asked. You should not need to be asked. You should volunteer even if only occasionally.

I agree that people who serve on the Parish Council

were elected to do a job, but we would like support from the villagers and I don't just mean back slapping.

The Residents' Association Committee do not get paid to produce the Bar Hill News and people get it free of charge.

So, come on all villagers, let's go into the coming months with a little more co-operation and help rather than all the apathy and moaning about the village, and especially the work of the Parish Councillors and Residents' Association. Even if you work - I work almost full time, as do most of the above committees, but I still find time to help.

Jo Hall

Dear Editor

After several scaring accidents, not all near misses either, I must draw the attention of the authorities to the dangerous and irresponsible use of the village footpaths as cycle speedways. Whilst those responsible are mostly of school age, there are many old enough to have more sense. Even so, any bicycle running headlong into a child in a pushchair or an elderly person on one of the many corners could have serious consequences, possibly resulting in scarring for life. Believe me, I am not exaggerating. I am a cyclist myself and always will be, but I consider this cycling on the Bar Hill footways a concession that should not be abused, and preference should always be given to those on foot. A few heavy fines for dangerous conduct might help the situation.

Yours Faithfully

HAPPY HOURS

(The recycled youth club!)

As you all probably know, Violet Weigzell passed away whilst Phyllis and I were on holiday recently. Wherever we are on holiday our minds flit back to Happy Hours but always before we return we wonder what has happened, is everyone well? Regretfully none of us are getting younger, but nevertheless Violet's passing was sad indeed; it was only on the previous Monday's Happy Hour meeting that I took her by the arm to escort her to Len Sherman's car to return home. Momentarily she didn't know who it was because of her failing eyesight, but she left me with those kind words, "thank you Jimmy". God Bless, Violet.

Trips out

Well what did you think of our trip to London Bridge and the trip up to the Barrage? Wasn't it absolutely wonderful? In addition we had a trip around the London sights to bring back a few old memories. During the earlier part of the war every available iron railing was taken for the "War Effort" but what really amazed me was that those in the Whitehall area were left completely untouched. Mind you, they were so magnificent it would have been sacrilege to have destroyed them, being virtually irreplaceable in today's modern age. One other oddity that struck me regarding the new buildings - there were virtually no ground floor windows - they all looked like fortresses - I wonder how they obtained planning permission to build such monsters. Nevertheless, we had a wonderful day, the weather being exceptionally good. Again, thanks Sid. Apart from our usual monthly trip on 9th August which will be Hunstanton, always very pleasurable (that's if the weather holds fair) Sid has arranged a further "Mystery trip" on 31st July - yes it's a Monday. This will be instead of our usual Monday meeting, the Octagon is not available on that particular day. Please do support Sid on this - I am sure he will have cooked up a few surprises as usual!

Annual Village Fete

In the July BHN Phyllis gave her apologies and thanks in advance to all those members who ran it. What an amazingly successful day it was. The proceeds will go towards the Happy Hours Christmas Lunch. The committee and members wish to record their very grateful thanks to all those who supported the Tombola Stall:

John's Fish Shop, Jane Barrett, Ceramica, Slimweight Slimming Club, Health Centre, A. Denton, Bar Hill Sports & Social Club, Helene Jones, National Westminster Bank, Cambridge Tyre Service, Hughes Parry (Vet), Bar Hill Furniture Shop, Ruby & Sid, Eyes of Swavesey, A.F. Jones Carpet Fitter, Wool shop, Cambridge Mini-Skips, Sheila Farrer (Chiropodist), Kitchen Smiths, Norman Hardy.

"VJ" Celebration - 19th August 1995

We have had an invitation from the Chairman of the Sports and Social Club, Graham Sadler, inviting

all members to the "VJ" Celebration. For this purpose the Social Club have hired the Village Hall (i.e. downstairs). A local band called "Off the Record" will be playing war time songs and tunes. A cold buffet and a bar has been laid on. A nominal entrance fee of £1 will be charged; the proceeds will be donated to a charitable cause. Don't forget your medals and ribbons if you wish to wear them. If you were present at the "VE" Night you will remember what an enjoyable evening was had by all. I am sure you would wish to join the committee in extending their thanks once again to the Social Club.

Sick list

We haven't heard of anyone really under the weather at present, except Helen Drewell who is still confined to her crutches - we sincerely trust she is making steady progress in getting about. Crutches are a nuisance but I feel sure if "young" Bill gets out of hand she will find them extremely useful in keeping him in order.

Age Concern Cambridgeshire

Tea Dance at the Grafton Centre, Monday 14th August 2.30 - 4.30 pm to celebrate VJ Day. Live music from a band, free goodie bags, voucher for reduced refreshments from Tradewinds at Debenhams, Cafe Select or Cafe Carringtons valued for one week. Car Parking at the Grafton Centre or Park and Ride. Buses nos. 4,6,7,8,10,111,122,166, or 196 all stop at the Grafton Centre.

I read this poem recently and learnt that it had been written by an elderly lady in a Scottish hospital and was found in her locker after she had died. I found it touching and it also made me smile - I hope you'll agree:

What do you see when you see me?
Are you thinking when you are looking at me
A crabby old woman, not very wise
Uncertain of habit, with far-away eyes,

Who unresisting or not, lets you do as you will
With bathing and feeding the long day to fill?
Is that what you're thinking is that what you see?
Then open your eyes, you're not looking at me.

I'll let you know who I am as I sit here so still,
As I do your bidding, as I eat at your will:
I'm a small child of ten with a father and mother,
Brother and sister, who love one another.
A young girl of sixteen with wings on her feet,
Dreaming that soon now a lover she'll meet.

A bride soon at twenty - my heart gives a leap
Remembering the vows that I promise to keep.
At twenty-five now I have young of my own
(Who need me to build a secure happy home).

A woman of thirty, my young now grow fast,
Bound to each other with ties that should last.

Cycling in the village

The Parish Council has received several complaints regarding cyclists (both young and not so young!) travelling too fast on the footpaths and having little regard for pedestrians. This is a particular problem at junctions, approaching bends and in the 'hillier' parts of the village. Could these complaints refer to you?

* * * * *

Plea to Parents

Each summer the Parish Council is inundated with complaints from residents concerning the behaviour of some children in the village, particularly it seems where older children play football on the smaller amenity areas. The Parish Council has no power to act but would only wish to suggest that, where children are old enough, they be encouraged to use the Village Green or School field. We would, therefore, ask parents to remind their children to consider other residents when out playing.

Thank you

At fifty once more babies play round my knee,
Again we know children, my loved one and me.

Dark days upon me, my husband is dead,
I look at the future, I shudder with dread,
For my young are all busy rearing young of their own
and I think of years and that love that I've known.

I'm an old woman now and nature is cruel -
'Tis her jest to make old age look like a fool.
The body it crumbles, grave and vigour depart,
But inside this old carcass a young girl still dwells,
And now and again my battered heart swells.

I remember the joys, I remember the pain
and I'm loving and living all over again.

I think of the years all too few - gone too fast
And accept the stark fact that nothing can last.
So open your eyes - open and see -
Not a crabby old woman,
Look close - See me!

BAR HILL SPORTS AND SOCIAL CLUB

Firstly may I apologise for not informing you of the
result of our Rugby World Cup competition - to put
matters right here is the official result:

First Prize: Steve English

Second Prize: Laurie Griffiths and Jane Wilkins

Third Prize: John Morley, J. Marchant

Secondly, may I correct the date of one of our forth-
coming events, namely the Ladies Cricket Match.

This has moved to 1st August - please note the date
has changed, not the result!!

May I take this opportunity to remind both existing
members and any potential new members that membership
starts from 1st September 1995 and once again member-
ship fees remain unchanged, as follows:

Full membership £3 increasing to £5 after 1st November
Senior Citizens £1.

These fees apply per adult per year, so please see
door stewards or Lesley Sadler for forms / cards.

Forthcoming Events

- 1 August Ladies Cricket Match
- 12 August Childrens' Pop Quiz
- 19 August VJ Night Celebrations

A meeting has been arranged with the Parish Council
and the Management Committee to table formally
the plans for alterations to the Village Hall
and we remain optimistic of approval to proceed
to the actual development.

For the VJ Night Celebrations on the 19th August
we have hired the Village Hall and arranged for
one of our regular bands to entertain us with a
collection of songs and tunes of the period.
In addition we are preparing a ploughman's style
finger buffet - all this for a nominal charge
of £1 at the door.

We have once again invited the members of the
Royal British Legion and Happy Hours to join
us, and also members of the Cambridge Yatsune
Club (Far Eastern Prisoners of War) especially any
veterans living in Bar Hill.

Following the success of our VE Night we have
agreed to any respectful fancy dress or to any
veteran wearing either uniform or medals - we
will be pleased and proud to see them.

Why not join us to make a night to remember?

G. Sadler, Chairman

Our Treasurer reported a small profit on the dance held in June in spite of the record low attendance. Members who were able to join the dancing were enthusiastic on the social success of the evening.

We are most grateful to the committee of the Social Club for their kind invitation to our members to join them in their celebration of VJ Day. Mike Duce would like those who will be going to let him know in good time so that he can pass on the numbers. This celebration has great poignancy for many families in this area as hundreds of men from the County Regiment were taken prisoner and suffered years of privation and torture. While celebrating we can spare a thought for them and their families.

Our next meeting is on Thursday 10th August at 7.30 pm in the Farmhouse.

YOGA IN BAR HILL

Although the Thursday evening class does not appear in the new Swavesey prospectus, we shall be continuing as before. The Monday morning class also continues, and is still funded by SVC.

There will be space for a few new students in both groups, so please do ring me if you are interested. The Desikachar Method which I teach places great emphasis on safety and good breathing; among my students are several who have found a real improvement in chronic conditions such as asthma and back pain; the relaxing effects of yoga also help to reduce stress and tension.

BAR HILL DISTRICT GUIDE ASSOCIATION

The girls have been very active in the last few weeks. Our Rainbows enjoyed a beach party, suitably attired, and a teddy bear's picnic.

The Brownies have played both indoor and outdoor games, during some very hot evenings, and still found the energy to run. All the packs have gone swimming this term. 2nd Bar Hill Brownies have been tested for the Road Safety Badge by PC Morris, and stunned Kathy Jacklin and myself when we tested them for individual badges - hoistess, house orderly, book lover, collector and jesters - what a talented lot!

The Guides have been on their annual trip to the Midsummer Fair and had a Barbecue.

The Rangers are hoping to persuade girls over 14 to join them, and held a barbecue for some ex-Guides to hear for themselves what opportunities are available to them from a Cambridge Ranger who has travelled and camped and done her DOE through Guiding.

The District Team, with some Brownie helpers, prepared the Cream Teas at the Village Fete again this year. We were pleased to make just over £70 profit and sold out before the Guiders had a chance to sample the goods.

I hope you all have a good summer and should you require any information about Guiding locally then please give me a ring.

COLTS FOOTBALL

It's signing-up time again lads. With the new season less than six weeks away, we need to ensure that you are all signed to play for our League Teams. In addition, those lads playing for the non-League sides also need to register with the Club, so that we can maintain an up-to-date list of all Club members. Registration fees this season will be £10 for League players and £5 for all others, and are unchanged for the second successive year.

Any prospective new players should contact the Team manager, listed below, for their age group, to declare their interest in joining a team

At the Colts AGM on 20 June the following committee was elected:

Chairman:	Ron Hodieme
Secretary:	Diane Chapman
Treasurer:	Jim Charlwood
Social / Fundraising:	Diana Birley
Publicity:	Neville Watson
Managers:	
Under 16	Mick Egan
Under 15	Chris Graham
Under 14	John Houston
Under 13	Mick Brown
Under 12	Ian Crofts
Under 11	Brian Tanner
Under 10 - no team this year	
Under 9	Ed Zuiderwijk
Under 8	Paul Douglas & Keith Bentley

I think that it's fair to say that all of the lads and girls who played, thoroughly enjoyed their games, which were all played in a competitive but sporting manner. It was particularly encouraging to see the Under 7's participating, all 28 of them. They are the future of the Club, but I for one am glad that I don't have to train them. Paul and Keith must have their hands full in controlling their enthusiasm. Our thanks also go to the referees who controlled the games, Brian Howard, Dave Kember and John Houston.

As I've explained in this column on many previous occasions, the costs of running a Colts Club of our size are ever increasing. Registration fees for the League and Cup competitions for the forthcoming season perhaps demonstrate this well, at nearly £300 for just six teams. In addition, we have to buy new balls, maintain goals and nets, pay referee fees etc. With money continually tight and sponsorship not easy to secure, we find ourselves constantly relying on the generosity of parents and supporters, both of the teams and our social functions. In an effort to relieve the burden on our "regulars" we are actively looking for a Club sponsor. If any Company Secretary, Financial Director, etc of any company operating from the village or indeed outside of it, is interested in backing the Club, please contact any of the above committee members. We look forward to hearing from you!

Neville Watson
781488

On the "glorious" afternoon of 1st July 1995, at the Bar Hill Fete, we ran a Five-a-side football competition for the Colts teams. Winners of each section were:

Under 7 Team 7A	Under 8/10 Team 10A
Under 11/12 Team 12A	Under 13/14 Team 13B
Under 15/16 Team 16A

SWAVESEY VILLAGE COLLEGE **COMMUNITY EDUCATION**

ADULT EDUCATION **from AUTUMN '95**

Please look out for our new maroon Autumn brochure. It contains details of our courses, as well as news and information about some of the developments in adult education.

This is an most *exciting* time for adult education at Swavesey.

- For only the second year our vocational classes have been organised in partnership with the Cambridge Regional College. It is the intention of the Government that adults should be encouraged to develop their vocational skills. As a result, these classes are funded separately and are often offered at favourable rates. For example, certain adults will be able to attend vocational courses without paying tuition fees.

- From September we shall have a suite of ten personal computers complete with the "Microsoft Office Professional" software package which will be available throughout the week for community and business use. It includes the popular "Word" Word Processing Package.

- We are also offering several sports coaching courses with the aim of increasing the number of qualified sports coaches within the area.

- For the first time, we introduce a new University credit scheme leading to a University of Cambridge Certificate of Continuing Education.

We look forward to meeting you and to enrolling you on one of our courses.
